

MEMORANDUM

DATE: January 25, 2021
TO: All Atterdag Residents & Families
FROM: Chris Parker, Executive Director
RE: PCU Residents Retested – Negative

Dear Atterdag Family,

Great news. Last Friday Atterdag retested the two (COVID positive) Personal Care Residents and both tests came back negative. All PCU Resident tests came back negative. We are closely monitoring our Residents with any flu like symptoms.

95% of Atterdag Residents have been vaccinated with both Pfizer Vaccine doses with five more Residents to receive their second dose over the next three weeks.

On behalf of our entire Atterdag Family, I want to thank each of you for your continued patience and prayers. It means a great deal to us.

Sincerely,

A handwritten signature in blue ink, appearing to read "CP" or "Chris Parker".

Chris Parker,
Executive Director

cc Board of Directors
